

Welcome

On behalf of the children, parents, staff and Governing Body, may I welcome you to the Westcliffe Federation of schools. We are extremely proud of all our schools and all of our children's achievements.

Westcliffe Federation strives to live out explicitly the Christian ethos and mission of our school;

'As the family of God we learn and love together'. We aim to provide the best education for all our pupils in every area of the curriculum.

We believe that our Federation of school's provides the experience of a living, growing Christian environment for all members of our community.

A Shared Vision for the Federation

- We are all passionate about developing independent, curious and resourceful 'learners for life'.
- Whilst instilling high expectations and aspirations for the future of our pupils, we are committed to developing the whole child – developing the interpersonal and life skills that will enable pupils to thrive in a wider community beyond the Federation.
- We believe that the four schools are stronger together.
- We believe in creating a close and effective partnership between all four schools.
- We believe a single Governing Body, working alongside all four schools within the Federation, will be best placed to set the strategic direction in the best interests of the pupils who progress from Foundation Stage to Key Stage One to Key Stage Two.

Our Federation is a warm, friendly, welcoming community, where all children are supported and encouraged by a team of committed staff, Governors and parents. Every child is unique and their individual talents are nurtured and developed throughout their school career.

If you would like to learn more about our Federation schools, then please follow the links to their separate websites.

Thank you for your interest in our Federation and we hope you find our websites useful and informative.
